**KING STAGE**  
Education · Career · Consulting

***Looking to improve your resume?  
Looking for a unique and professional experience?  
An internship with direct missions  
and true responsibilities?***

King Stage is committed to find you the right internship according to your profile, your skills & attributes and most important, your expectations.

As members of the Chamber of Commerce in Great Britain, we are working directly with companies based in United Kingdom, France, Italy and Spain when looking for the most interesting and motivating internships for the development of your career.

We offer internships and work placements in different business areas such as marketing, communication, human resources, finance, accounting, IT, etc.

King Stage is the first company to work directly with business schools & universities throughout the European Union for the career management of their students.

Thanks to the professionalism of our team, multiple partnerships have been developed with leading European Business Schools and Universities such as SUP CO, AMOS, and Geneva Business School... to enhance the professional experience of their students.

## ABOUT US

We are a team of professionals in recruitment at your service with one goal; to place you in the internship that meets your expectations and curriculum.

We have developed a formula "Keys in Hand" for your peaceful arrival in London.

Our fees do not vary depending on the length of your internship are payable after a written internship agreement with the company has been signed.

We ensure a quality internship for your future professional career.

We offer the most attractive and competitive prices in the market.

We also give you the opportunity to improve your English at our language schools based in the heart of London.

# CHOOSING KING STAGE

At King Stage, we believe that your internship period is an essential step for your professional project and your future career. This is why we carefully select the companies and the internship offers according to your needs and expectations.

## WHY AN INTERNSHIP ?

# ACCOMMODATION

At King Stage, we also offer accommodation in order to prepare your secure arrival in London. We have access to a wide range of accommodation including houses or shared apartments.

These accommodations are carefully selected by our team according to quality and price to reduce the cost of your stay.

Regarding the rent, you need to foresee a budget between £500 and £700 per month depending on your choice of accommodation and the zone.

Shared accommodation is the best solution to live in London. You will meet new people and make new friends; your stay will be the less expensive, and you will benefit from a multicultural experiences.

- **£700 MAXIMUM**  
*Including all bills + Wifi*
- **SHARED SINGLE OR DOUBLE ROOM**  
*Share with other european people*
- **FROM ZONE 1 TO 5**  
*All around the cities*

## ENGLISH COURSES

Our Global Package can offer you the possibility to access to English lessons, in an academically accredited school, you will then have the guaranty to improve your level of English quickly. You will have the opportunity to choose the best time of the courses depending on your working hours.

Our schools partners are located in the centre of Cities for a easy access.

The English lessons are organised, based on your level of English and your needs. The classes consist of 15 to 18 students from different nationalities and will give you the opportunity to meet people from all around the world.

These courses also offer you the possibility to validate the Cambridge and TOEFL Certificate, internationally recognised for university access and also on the job market.

According to your level, courses can be focus more on "Business English" IELTS preparation...
