Education · Career · Consulting

OUR COMPANY

King Stage is a Education and recruitment consulting agency specialising in intern placement and career advice for European students and recent graduates. Since 2009, we have grown rapidly from being a recruitment company to a consulting agency. We have extended our services across Europe, helping students and young graduates hone their skills through our programme by creating the most of respectable work opportunities with our client companies.

We have developed partnerships with leading professional Institutions and universities, which enables us to providing essential guidance and service of highest caliber for our clients.

As a member of the European Chambers of Commerce, we work directly with companies based in the United Kingdom, France and Spain when looking for the most interesting and motivating candidates for their development.

OUR SERVICE TO CANDIDATES

HOW WE COLLABORATE

We are a team of professionals in recruitment at your service with one goal; to place candidates in the position that meets their expectations and curriculum. Our aim is to introduce candidates to support companies projects and development.

We ensure a quality job and internship positions for students and graduates and assist them in their future professional career.

We also give the opportunity to candidates to improve their language skills at our partners language schools based in the heart of the cities.

By working with King Stage for their career management, our candidates give themselves a chance to stand out from other candidates.

OUR SERVICE TO INSTITUTIONS

WHAT WE OFFER

We offer professional support to business schools and universities. Below a sample of services we offer to institutions.

- **ENGLISH COURSES**

We offer part-time and full-time English courses to 18 years+ students from elementary to upper-intermediate level. All our courses include an individual assessment and a certificate of achievement. Our English courses aim at improving your confidence, enhancing your communication skills and allowing you to easily access job opportunities in your industry.

- **INTERNSHIP OFFERS**

With our expertise and experience, we have the knowledge to groom and help students to gain work experience within our network of companies. By offering different services for students, like internship, accommodation and English lessons, we assure that students have a hassle-free move.

Our clientele are spread across sectors such as Marketing, Accounting, Finance, Management, Business, IT and Consulting companies.

We are working with the best business schools in Europe.

- **SEMINARS AND LECTURES**

We at King Stage believe that "*Knowledge increases by Sharing and not by Saving*".

We offer to deliver seminars and lectures on work related topics and Career Development. This helps the students to understand the organisational behaviour & dynamics and work culture as well as getting a realistic outlook of the corporate world.

- **OTHER CAREER CENTRE SERVICES**

Coaching: This career development coaching covers all aspect of interviews, company culture, leadership and relationship with colleagues. We also help students with CV writing, filling in application forms and writing covering letters to highlight the student's skills and competencies. With the coaching option, we will prepare the students to work within the company therefore, increase their chance to have a job offer.

HOW WE COOPERATE

● PARTNERSHIP WITH THE UNIVERSITIES & BUSINESS SCHOOLS

We understand the responsibility of schools and universities in managing the careers of vast number of students and hence, we take pride in assisting our partner educational institutions with our internship, English lessons and career services.

We, King Stage act as a bridge between schools and universities, their students and our corporate clientele, thus opening the doors of numerous employment opportunities for your students to hone their skills and personality.

OUR PROCESS

1

- Presentation and offer of King Stage services to institutions
- Understanding and negotiation of contract for services

2

- King Stage advertises the internship vacancy among the students through the schools/universities careers website
- The students review the internship details and send their resumes to us

3

- Placement of student in company and regular follow up with the student for support and advice throughout the internship period

OUR SERVICE TO COMPANIES

HOW WE SHARE OUR VALUES

King Stage is committed to find the right candidate according to our partner requirements and expectations.

1
